Dear Jesus,

It is with deep regret that I must tender my resignation from the Economic Development Committee. I had hoped to finish out my term, but the state of our business is such that there is no way I can miss the one absolute given in our work week—our Monday 2 to 7 pm executive committee meeting. My CEO was sympathetic, and even offered to write an excuse slip for me to give to Bertie. He has resigned his own directorship position with the YMCA of Southern California for the same reason.

Given my friend and neighbor chairs this committee, you can be sure my urgings to this group will continue to be communicated—think water tower! Please know that I will welcome any opportunity to serve the city in any official or unofficial capacity, though again, because of the life phase of my business, it will have to be on an ad hoc basis.

Know how grateful I am for having had the experience of serving on this committee. I have learned much, and feel the committee has much to be proud of. Foremost among those things for which am I most grateful are the friendships I have forged with the members of this committee. It has been a pleasure to spend time with all of you, and I look forward to all future interactions.

Sincerely,

William E. Crosby
